

**Vocabulary: Body Parts**

Label the body parts in the diagram

1. Eyes

2. Hand

3. Head

**Vocabulary: Basic Health**

Match the health word with the correct definition:

1. A person who helps you when you are sick.
2. Something you take to feel better.
3. When your body temperature is high.

1. Fever

2. Doctor

3. Medicine

Write a short paragraph about a time when you were sick.

**Example**

Last month, I had a cold. I had a sore throat and a cough. I took some medicine and rested at home. After a few days, I felt better.
